I also see that there is a HQ call from 8:30 - 11 am on RODs and ROD Amendment. The USOR meeting is from 10 - 12. So we need to finish the sites under you by 10 am. Is that possible?

Connie, this will confirm arrangements for a meeting at Region 6 offices between representatives of the EPA Superfund program to include you, Mark Peycke and members of the Superfund staff involved in the US Oil Recovery Superfund Site (Lydia Johnson, Ben Banipal, Cindy Brown, Ed Quinones, and Raji Josiam) and members of the USOR Site PRP Steering Committee.

As initially discussed, we anticipate the meeting commencing at 1000 AM and

running until 1200 or 1230 if necessary.

Also, if conference room space is a problem, a conference room in the offices of one of the firms involved with the Steering Committee, in the same building can be arranged.

Look forward to seeing you on Wednesday.
